NOTICE TO NEW PARTICIPANTS

You have become a participant in a 403(b) plan established and administered by Servant Solutions ("Plan").

The National Securities Markets Improvement Act (the "Act") signed into law on October 11, 1996, exempts church plans from federal and state securities laws, except for anti-fraud provisions. In order to qualify for the exemption, church plans must satisfy eligibility requirements under Code Sec. 414(e) and the assets of church plans must be used exclusively for the benefit of plan participants and beneficiaries. Church plans continue to be subject to the Internal Revenue Code and its regulations regarding eligibility, governance, and operations of such plans.

The Act requires the Plan to notify participants that the Plan is not subject to and the participants are not covered by state and federal securities laws. The following notice is provided in accordance with the Act:

The Plan or any company or account maintained to manage or hold assets of the Plan and interests in such Plan, companies, or accounts (including any funds maintained by Servant Solutions) is not subject to registration, regulation, or reporting under the Investment Company Act of 1940, the Securities Act of 1933, the Securities Exchange Act of 1934, Title 15 of the United States Code, or State securities laws. Therefore, the Plan participants and beneficiaries will not be afforded the protections of those provisions.

The Servant Solutions custom age-based funds are each composed of mutual funds. Age-based funds for younger participants have greater stock market risk, while age-based funds for older participants have less exposure to stocks and a higher allocation to bonds and cash. Over time, each age-based fund reduces risk by following a glidepath, allocating more to bonds and cash and less to stocks. Age-based funds are automatically rebalanced at least quarterly. Rebalancing may occur more frequently if performance of individual funds or asset classes results in significant deviation from the age-based fund's target allocations.

DESIGNATION OF BENEFICIARY
FOR BENEFITS UNDER THE SERVANT SOLUTIONS RETIREMENT PLAN

SERVANT SOLUTIONS • PO BOX 2559 • ANDERSON, IN 46018

In certain situations, it is possible that you could die before receiving all of your benefits under the Servant Solutions Retirement Plan ("Plan"). For example, you could die before beginning to receive your Plan benefits or while you are receiving distributions in installments. Use this form to designate a beneficiary to receive any remaining Plan benefits following your death.

According to the Servant Solutions Retirement Plan Document, your spouse is your primary beneficiary. If you die and leave a surviving spouse, any remaining Plan benefits will automatically be paid to your spouse. **Therefore, you should not name your spouse as your contingent beneficiary.** If you die and do not leave a surviving spouse, any Plan benefits will be paid to the contingent beneficiary (or beneficiaries) designated on the second page of this form.

If you wish to name someone other than your spouse as your primary beneficiary, please contact Servant Solutions to obtain the necessary forms. Please note that the "Ten Years Certain Benefit" beneficiary designation (applicable only when electing an annuity payment in retirement), is filed on a separate form.

NAME AND ADDRESS OF MEMBER:

Name _____ Soc. Sec. No. _____

Street Address _____

City _____ State _____ Zip Code _____

Phone _____ Email _____

NAME OF PRIMARY BENEFICIARY (SPOUSE) _____

In the event of death or divorce and eventual re-marriage, the legal spouse at time of the member's death is the Primary Beneficiary, regardless of the name written above.

I do not want my spouse to be permitted to change my beneficiary designation if he or she survives me. [Note: If you check this box, no changes in this beneficiary designation can be made after your death.]

This form supersedes all other beneficiary designation forms previously filed, including any designation form previously filed with regard to the Death Benefits program and/or the, now grandfathered, Tax Deferred Supplement plan (TDS plan).

The second page of this form is REQUIRED; use it to designate your contingent beneficiary (or beneficiaries).
